

AMRISHAA S

Aspiring IoT and Embedded Systems Enthusiast

vijayarathivijayarathi@gmail.com | +91 9488670119 | www.linkedin.com/in/amrishaa05

PROFESSIONAL SUMMARY

Highly motivated Electronics and Communication Engineering graduate seeking to begin a career in Testing and Commissioning. Strong foundation in electronics, circuit debugging, and embedded systems with hands on project experience. Eager to work in site based environments, learn power system testing methodologies, and assist senior engineers in ensuring safe and reliable system operations. Quick learner with strong attention to detail and teamwork skills.

EDUCATION

B.E in ECE at Nadar Saraswathi College of Engineering and Technology, Theni.

CGPA : 8.14[6th Semester]

12th Grade : 81% at T.M.H.N.U.Vidhyalaya.Mat.Hr.Sec.School,Theni.

10th Grade : 77% at N.S.Girls.Hr.Sec.School,Theni.

TECHNICAL SKILLS

Programming Languages: C,Embedded C.

Microcontrollers & Hardware: ESP32, Basic Sensor interfacing, Circuit Assembly

Protocols: UART, I2C, SPI (Basic understanding)

Core Strength: Problem-solving, teamwork, adaptability, willingness to learn new testing equipment.

PROJECTS

Hackathon Participant – **Three Slit Ring Patch Antenna** at M.Kumarasamy College of Engineering, Karur.

Embedded SAR Monitoring System (ESP32)

- Built a signal analysis system using potentiometer, buzzer, and NeoPixel Ring.
- Implemented Automated alert triggers and uploaded SAR data to cloud platforms.

INTERNSHIP

Completed 1 Month Internship on IoT and Embedded Systems and Worked on IoT circuits, sensor modules, and microcontroller programming at Notasco Technologies India Pvt Ltd, Tirumangalam.

CERTIFICATIONS

Attended a Workshop on **Foundation of Industrial Automations using Siemens PLC** at MEPCO Schlenk Engineering College, Sivakasi.

NPTEL Course - "Introduction to Internet of Things" (**77%**, Elite Silver).

NPTEL Course - "Cloud Computing" (55%).

ACHIEVEMENTS

Appreciated with the **Master Minds of Intern Award** for the Project IoT Driven SAR Monitoring at NSCET, Theni.
